WAIT LIST APPLICATION

FROM: Old Saybrook Harbor Management Commission, 2014

Harbor Management Wait List Position applicants:

Completion of this form is required to update the Old Saybrook Harbor Management Commission Wait List records, to maintain your Wait List position, and to update the information regarding the vessel you plan to put on a mooring at the time you are offered one. This form must be fully completed and returned with a check for the \$10.00 maintenance fee payable to the Town of Old Saybrook to establish a position on the Wait List.

If you wish to be on more than one wait list area, a form for each wait list area must be completed and returned with the \$10 maintenance fee.

At the time you are offered a mooring location you will have approximately two weeks to complete the final mooring application form and return it. When a mooring/slip is authorized, you will need to make arrangements to provide your own ground tackle and other necessary tackle as specified for the mooring/slip area assigned, and to schedule any inspections with the Harbor Master as may be required. You will also need to provide a copy of your CT registration or Certificate of Decal (documented vessels only) with that application to fill the assigned slot.
